  **RCM 2 - Satch G**.(attached below is also the corrected RSM report)
  Good morning and great day to all. I hope that all is well throughout the area and homegroups.

  1. RSC is coming up this May 30th at the Conroe Club, 2030 FM 2854, Conroe, Tx, 77034 from 9 am

to whenever. I do plan on attending this one in-person, barring any unforeseen circumstances. This quarter's meeting was moved due to WSC occurring on the originally scheduled Saturday. I will attend virtually if not able to make it in person. I will have a report of the goings-on next month. There is one item I would like to share with the body and seek this body's consensus on how to proceed. Please see the attached page with a proposal being introduced by BVANA. This is a proposed change to TBRNA policy.

2. I have been constructing a census of the groups in the area. We currently have 18 poll ineligible groups. I have been attempting to contact some of these groups and have some discussions with a few of them. The sentiment varies, however, most groups that are poll ineligible, are having issues with lack of home group members, or home group members who are having life on life's terms show up in their recovery. I am working on ways to improve our relationships with groups that are poll ineligible.

As always, please feel free to contact me with any questions, concerns, comments.

Hello Family,

Did you know we only have 243 days left until EACNA XII. I do not have much to report at this time. All subcommittees are doing great and on track to have a great convention. We have boots on the ground at all Texas area convention and **I will be attending Texas State next weekend to sell merchandise and registrations. We still have plenty shirts left from last year at $10 a piece and will have new merchandise for next ESF. It is on June 20th at 5909 Walzem. We will be serving spaghetti plates with meat sauce, garlic bread and salad for a suggested donation of $10 (no addict turned away).** I am sorry I could not attend today due to work schedule. Thank you for allowing me to be of service

Hello Esperanza Area. My report will be brief. I have reserved three shelters at Garner State park, numbers 2, 3, and 4. Even getting on early and using the phone, I was unable to reserve the shelters by the river. There is good news and bad news with these shelters. The good news is we are right next to the camp store so we will have some extra parking. The bad news is we are right by the entrance of the campsites so it'll be a bit of a choke point. We will have serenity keepers on hand at all times to keep our traffic moving. If you want to stop and chat, we ask that you please park at the store or further down the road and then come see us so the park rangers won't have a reason to yell at us.

As for a treasurer's report, I currently have $856.77 in the bank. We sold $220 worth of t-shirts at the last EACNA support function in April. I apologize for not submitting that report. There have been some hiccups with the website but from what I understand, registrations are now available to buy for $15 on the esperanzana.org website. I will be getting together with Victoria and Roger later

this week to get the t-shirts up. Raffle tickets will be available in about a week. They will be $5 per ticket, 1st place shelter, 2nd place main event t-shirt, 3rd place free registration.

I have talked to Lanier and he has agreed to render his services for our event. Our subcommittee will be discussing price and services at this month's subcommittee meeting.

I am still in need of a treasurer, a registration facilitator, and a merch facilitator. There are many things that I don't understand in this position and I could use the support members.

As always, I'm grateful to be of service. Sincerely, Felicity K.

Subcommittee 3 pm June 14th at ARP.

**H&I - James B**.
It's an honor to serve the Esperanza Area, and this is the H&I report.
Sunday, May 17th
*Accomplishments:*
Our Subcommittee last met on Sunday, May 3rd, at 11624 virtually. Seven members attended, and four volunteers completed their orientation. We are carrying the message at eight out of eleven facilities. There will no longer be H&I presentations at Laurel Ridge due to challenges in rebuilding the facility. I have spoken with my sponsor, the H&I subcommittee, and my home group that I will be nominated at the next Regional Service Committee meeting on Saturday, May 30th, as the TBRNA H&I facilitator. We did discuss possible nominations for our executive body at Esperanza Area's H&I subcommittee because our co-facilitator is now the co-facilitator for Esperanza Area's Service Committee meeting, so she cannot accept, and our Recorder is willing to be nominated as the H&I subcommittee's co-facilitator to serve as the H&I facilitator eventually. I have looked over the H&I subcommittee guidelines, where it says, "All officers are elected for a term of one (1) year and will be eligible for re-election for
a second term of one (1) year, followed by two (2) years of ineligibility." I am willing to be the lame duck until a new trusted servant is nominated and elected to serve as the H&I facilitator. The next H&I orientation will be at 11624 El Sendero on Sunday, June 7th, at 1:00 PM, and the H&I subcommittee will be at 1:30 PM. On Sunday, May 31st is the TBRNA H&I subcommittee at 7:00 PM, the meeting ID is 795 154 3432, and the password is service. We are still planning the TBRNA H&I Learning Day hosted by Esperanza Area so please attend if you can.
In Loving Service,
James B.
