Treasurer -

Greeting Esperanza Area,

We began November with a Bank Balance of \$4267.32 in our checking account. We made contributions of \$1136.55 and paid expenses of \$1542.93. We took in \$406.38 less than we

spent. Our Ending Bank Balance is \$3860.94. There are no outstanding checks. Thanks for promptly cashing your checks.

I received 56.00 from Activities subcommittee via Zelle to my personal checking account. I will include it in next month's report. Access to Square accounts for Activities and Frolic Facilitators needs to be addressed. Will a member with expertise on the Square platform please help in educating them and myself on how to use the software and site correctly. Treasurer, Grace M. and Satch G. have completed the Budget Proposal for 2026. It is attached to this report for Group review and hopefully adoption in January. THE budget is similar to 2025 with moderate increases to Subcommittee monthly seed money. It also establishes a cushion as prescribed in our Policy.

The Treasurer email address is now treasurer@esperanzana.org Please update your Groups, banks, and any person or vendor you can think of that sends email to our Treasurer position. I will do the same. Thanks for letting me be the Treasurer.

In Loving Service.

Tommy H.

RCM 2 -

Greetings and good morning to all. TBRCNA RSC met yesterday in Beaumont, I did not attend in person; however, I was in attendance on-line for the entirety of the meeting. My report is late due to attempting to relay as much as possible what went on yesterday during region. I was in contact with the group that meets in Uvalde. They should e here today to give a full report. Welcome to Esperanza Area, I was not able to communicate with the contact in Del Rio. I need to contact someone who has the info for the addict in Eagle Pass to establish a line of communication. I am working on a plan for establishing communication with te meetings along US181 and Pleasanton.

The advance copy of the 2026 CAR is out. <https://na.org/conference/> The World Board will post surveys with deadlines for submission of 4/1/26 at www.na.org/surveys You can find Revised Board - approved service material at www.na.org/revising-group-business-meetings (Group Business Meeting service pamphlet? That will be available for a 90 day review period and that is at www.na.org/basics

Elections for the regional administrative body and TBRCNA 27 were held. The position of treasurer is interim (Tom K from CBANA). In addition to treasurer, the positions of co-treasurer. Please contact me if there are any interested addicts for these positions. I will be able to provide info for the requirements/positions duties.

The proposal, brought to the area for our consensus, passed at region. Only RCMs are allowed to vote on both new and old business. Members of the admin committee and sub-committee facilitators have a voice, but not a vote. I introduced 2 proposals: 1. That any member elected to the admin committee, resign as RCM. 2. The RCMs may serve on any sub-committee, except facilitator. Both proposals failed to gain consensus.

I have 2 sign-up sheets available; 1 for hospitality room shifts for TBRCNA 26 and one for the New Years Eve event for TBRCNA 26.

I am available to answer any questions or put you in contact with someone who may be able to answer. My number is 361-816-0377

Activities –

First off, not long after the last Area meeting we were able to do inventory of the storage unit which had been sent to the treasurer. We also have had our normal meeting the first Sunday of the month and the time has been moved to 4PM by Suni. So far it seems to be a good time slot. We also had an emergency meeting that following week to tie up the loose ends of the marathon meeting as well as new years dance.

Both events are set and ready to go and if anyone would like to volunteer to be of service please let myself or Brittany know.

I want to take a moment to thank everyone who has helped me out with all of this. It has been a little overwhelming especially with the holidays right here. So it is very much appreciated. - Layne S.

Gilbert “ Please list your contact information at the end of your report”

Marcials happen “Is there a flyer for the New Years Eve event yet?”

Activities chair” Yes, we will be blasting it out today and get it on the IT website”

FITW 2026 -

Hello Esperanza Area. At this time I regret to inform you that December's subcommittee meeting did not take place. This was completely my fault and I am taking actions to ensure it does not happen in the future.

I am tentatively setting up January's subcommittee meeting for the 11th @ 4pm at ARP and via Area ZOOM. I will be sending out a flyer next year with all the information. Looking forward to serving with all of you.

Sincerely,
Felicity K.

“I do need to know about storage space that activities chair has or any help with further discovering a unit”

Internet Technology -

Hello, everyone, I'm an addict in recovery my name is Roger S Sr . We've had to undergo some changes in our Domain Name. Eanaonline.org does not work any more, our new Domain Name is esperanzana.org if you forget the name at the end it won't take you to us. I also got a new QR Code for our Meeting Schedule. Please don't distribute the old Schedules cause the QR Code does not work and everything else is updated. Our new Domain name will be included in our Web servant's Fee. I'm sorry for any inconvenience that this may bring but we're back online, I sent notices to the Haven For Hope, I sent messages to the city of San Antonio Via the 311 # we need to send messages to anyone we know that is in the Recovery Field. I sent messages to CTANA, BVANA, CBANA. That is all for now. I know y'all have questions.

8. On-going Business -

FITW proposes “increase FITW seed money to \$2,500 from \$1,800 cost”.

Rationale: Rising costs, inflation, taxes, shipping costs.

Felicity “A couple of us discussed this last night... I do realize that the budget is tighter, but I do not believe that we need that big of a jump. If we could bring in a discussion with Area groups to increase the amount of seed money, but not exceeding \$2500”

Tommy “I am going to suggest that if we do give them this increased amount, it be distributed in spread time instead of all at once.”

Bobby “I believe we need a clean, clear proposal” Proposal stays.

Satch “seed amount is the amount for 2027, how we get to the seed money is another”.

“The groups discussed the amount of increase to \$2500, we get there how we get there.”
